TERPLYMPICS

Don't miss this opportunity for all working interpreters to celebrate our profession! All interpreters who have worked, are working, and will work in the future are invited. If you work for USDB, UVSC, U of U, USU, or any other place (even if they do not start with a U), you are invited! In celebration of the Deaflympics which will be coming to Utah in 2007, we will be having mock-style games, carnival-type competitions, and big summer kinda' fun! No prior training will be necessary! Show up in something comfortable so you can

GO FOR THE GOLD!
